Product data sheet

Brand name		Qlima
Model		P 628
Sound power level[1]	dB(A)	65
Refrigerant GWP[2]	Refrigerant leakage contributes to climate change. Refrigerant with lower global warming potential (GWP) would contribute less to global warming than a refrigerant with higher GWP, if leaked to the atmosphere. This appliance contains a refrigerant fluid with a GWP equal to 3. This means that if 1 kg of this refrigerant fluid would be leaked to the atmosphere, the impact on global warming would be 3 times higher than 1 kg of CO_2, over a period of 100 years. Never try to interfere with the refrigerant circuit yourself or disassemble the product yourself and always ask a professional.	3
EER[2] / EE-Class	W/W	2.60 / A
Indicative hourly electricity consumption - Cooling (Qsd/c)	kW	1.1
Capacity Cooling (P rated)[2]	kW	2.8

Product specifications

Colour	White / Silver
EAN code	8713508784519

Technical specifications

|		
Power consumption Cooling	kW	1.076
Power consumption standby mode	W	TBD
Power supply	V/Hz/Ph	220-240 / 50 / 1
Current - Cooling	A	4.8
Air flow[1]	m^3/h	300
For rooms from[1]	m^3	65
For rooms up to[1]	m^3	90
Dehumidification capacity[3]	L/day	40.8
Operating range	°C	16-35
Thermostatic range	°C	16-31
Sound pressure level	dB(a)	55
Fan speed		3
Control		Touch
Refrigerant	R	R290
Charge	gr	230
CO_2 equivalent		0.0007
Dimensions (w x d x h)	mm	440x335x715
Compressor type		Rotary
Protection class	IP	IPX0
Weight	kg	22
Guarantee	years	2

[1] To be used as indication

[2] Measured conform EN 14511-2011

[3] Moisture removal at 32°C, 80% RH

Accessories

Exhaust hose
Hose inlet
Hose outlet
Remote control with battery
Manual

CE

guarantee 2 YEARS

20 ft = 144
40 ft = 296
HQ = 440

W x D x H =
477 x 382 x 860 mm

Gross weight = 24 kg

HOME MADE CLIMATES

P 628 PORTABLE AIR CONDITIONER

Wireless smart kit

Remote control

3 Fan speed settings

Cooldown system

Environmental friendly refrigerant

Dehumidifcation function

Features

Option: Wireless smart kit:
The air conditioning is suitable to connect the convenient Qlima wireless smart kit (sold seperately). This kit enables a total control over your home comfort. Download teh app and you can control your airconditioner with your smartphone from anywhere.

Electronic controls:
The unit is equipped with electronic touch controls.

Fan speed setting:
Select the fan speed: low, medium or high. The display will show the chosen speed.

Timer:
Operating time to be set up to 24 hours. The unit switches off or on automatically when the set time has run down.

Air conditioning:
The unit produces, with relatively high energy efficiency (A-rating), a pleasant and refreshing high capacity cool airflow. Unhealthy particles are captured by the air filters. Performance is optimal when the entering of warm outside air

Airflow:
Move the air vent direction by adjusting the grill at the front side of the air conditioner and by moving the vertical and horizontal louvers.

Cooldown effect:
The unit removes humidity by condensation. The condensate cools the condenser and is removed by the hot air discharge. This will increase the energy efficiency; the so called "cool down" effect.

Dehumidification:
The unit can also be used as dehumidifier only. In that case the exhaust hose is not connected and warm air returns in the room.

Continuous drainage:
In case of use as dehumidifier only it is necessary to connect a continuous drainage tube (not included) to the unit.

Exhaust duct:
Hot air and humidity is transported, by an easy to install exhaust duct, outside the room.

Full colour box:
The unit is delivered complete with auxiliary parts in a stylish full colour box showing application and operation information in multiple languages.
